

# ***ANNUAL SPONSORED WALK***

***IN AID OF***

**SUNDAY 30th AUGUST 2009**

**Fairlight, Pett and Guestling near Hastings**

Although this has in the past been largely a sponsored horse ride we want to encourage more walkers to enjoy this route there are refreshments at the halfway stage and plenty of places to stop and enjoy the view.

The route starts at Cherry Garden Farm, Fairlight and is normally inaccessible to the general public and takes participants over some of the most picturesque countryside around so come on give your self a special treat and support a really worthwhile charity that does as it says and transforms peoples lives.
